

RED BEND CATHOLIC COLLEGE

YEAR 7 2022 ASSESSMENT SCHEDULE

YEAR 7 ASSESSMENT POLICY

This booklet outlines the Year 7 assessment policy and includes assessment schedules for all Year 7 courses.

What are Assessment Tasks?

Assessment tasks are used to measure total student achievement throughout Year 7. They cover core syllabus content and outcomes, but do not include information about student attitudes, behaviour and conduct.

Student assessment marks are gathered during Year 7 through a variety of assessment tasks. These are used to allocate marks and grades for the Semesters 1 and 2 academic reports.

Assessment Guidelines:

1. Notification and Feedback of Assessments

Students will be notified by their teacher that an Assessment Task is approaching. Notification of the task will be given to students, a minimum of 2 weeks before the task date. Students will be informed of:

- The type of task (test, assignment, practical etc.)
- The content covered by the task
- The best way to prepare for the task (organisation, study etc)
- Clear and meaningful feedback up to 2 weeks from the due date about their performance on specific tasks.

2. Plagiarism

It is your responsibility to complete all assessment tasks to the best of your ability. You must also make sure that each assessment item is your own work. Copying of work for assessed items, IS NOT ALLOWED, this is plagiarism – see Page 41 in the Student Handbook. Plagiarism may result in a zero mark.

3. Lateness

You will lose marks if assessed tasks are handed in late. You will lose 10% of your marks for each day late. Any item which is more than 3 days late may result in a zero mark. You will still be expected to complete the item by attending a 'catch up' at Friday lunchtime in Room 27. Parents and Carers will be notified if you fail to hand in an assessment item.

4. Extensions

If you have a good reason (eg. illness, family or sporting commitments) for not being able to complete an assessed item on time, you can apply for an extension. Extension request forms are available from the Student Services Office or access a copy on the Year 7 Shared Drive. Fill in the necessary information on the Extension request form and return to the SSO.

Mrs Martin will review your request, and will advise the Faculty Coordinator and Teacher. You may be required to attend an interview with Mrs Martin.

If the extension is granted the form will be returned to you which you will then attach to the completed assessment. **You should make your request well in advance of the due date. If there are exceptional medical or misadventure circumstances, parent/caregivers are to contact Mrs Martin dsc@redbendcc.nsw.edu.au.**

5. Missing an In Class Assessment Item

If you miss an in class assessment item, and your absence from school is explained, you may be asked to complete the task when you return to school. If this is not possible, you will be given an estimated mark for the assessment. Deliberately missing an in class assessment may result in a zero mark.

6. Malpractice

A zero mark may be given to any student who is found to have been dishonest in an assessment item. Malpractice includes cheating, copying from other students, copying from websites or other sources.

7. Appeals

You may appeal to your teacher if you believe the mark for an assessment item is unfair. It is your responsibility to see your teacher as soon as possible after the item has been returned. Should you believe that you did not get a fair hearing, take your case to the Faculty Coordinator. The Faculty Coordinator may pass your case on to Mrs Martin if they are unable to reach a resolution.

8. Using IT

At Red Bend, students use Google G Suite to complete assessments. Copies of assessment notifications are placed on the Year 7 Shared Drive, which can be accessed at any time.

9. Responsibility of Students in Examinations

- Be well prepared
- Correct school uniform must be worn to all examinations.
- Have pencils, pens, calculator etc in a clear plastic sleeve – **pencil cases are not permitted in the examination room.**
- Leave all books, paper and study notes in your locker.
- **No paper is to be brought into the examination room** – writing paper will be supplied.
- Respond properly to all directions given by the supervisor.
- Use the full time allocated for an examination – no student will be permitted to leave the examination room early.
- There is to be no borrowing of equipment during the examination.
- Raise your hand to ask a question.
- Do not disturb any person during the time you are in an examination room.
- Put up your hand and ask permission if you need to go to the toilet. Permission will not be granted to go to the toilet in the first 15 minutes or the final 15 minutes of the examination.
- Mobile phones are not permitted. Students who bring a mobile phone into an exam may incur a penalty of zero for the exam.

10. Disability Provisions:

Students are eligible to apply for disability provisions if they have permanent or temporary disability that would, in a normal examination situation, prevent him or her from:

1. Reading the examination questions; and/or
2. Communicating his or her responses

Conditions are listed under the categories of *medical, learning difficulty, hearing and vision*. Provisions may include; large print papers, use of a writer, use of a reader, extension of test time, rest breaks, establishment of a special test space, small group supervision, individual supervision, permission to take medication, or other provisions as judged appropriate. Please see Mrs Umbers (Learning Support Coordinator) if you have any questions about disability provisions.

11. Questions:

For any questions about assessments, please see one of the following:

- Class teacher
- Faculty Coordinator
- Director of Curriculum (Mrs Martin)
