22 April 2020

Dear Parents, Carers and Students

I hope you and your family are well.

School will resume on Tuesday 28 April with online learning for at least weeks 1 and 2 as per the end of term 1. The College will remain open for students who need to attend. As per guidelines by the NSW Premier Gladys Berejiklian, parents are encouraged to keep their children at home for remote online learning for weeks 1 and 2. Supervision will be provided at the College by a limited number of staff at this time.

Students will continue to be provided with online work by their teachers through Google Classroom. It is important for students to resume their learning on Tuesday 28 April and also to check their emails and Google Classroom for important learning and wellbeing information.

The school arrangements for Term 2 are intended to enable sufficient physical distancing to prevent the spread of COVID 19 and to ensure the protection of all staff and students.

We anticipate at this stage from Week 3, Monday 11 May, the College will begin a phased return to onsite learning. We are currently developing a plan for the best way to manage this for each group of students. More information on the model of return will be provided to parents and students as we approach Week 3.

Thank you for your continuing support as we all work together to keep each other as safe as possible.

Yours sincerely,

Stephen Dwyer
Principal
